

AERIALS EDUCATION+

VIRTUAL LEARNING CARE PROGRAM

- Students will be guided in their particular school's virtual learning program
- Room monitors will ensure schedules are followed, assignments are completed, and your child is engaged with their classes
- Our facilitators will assist with any concepts or questions your student has
- As part of their day, students will have purposeful physical education as their schedule permits, and even have recess time in our 11,000 sqft air-conditioned facility.
